Recommend that parents ask the following when identifying school transport:

- Which Learner Transport Association do you belong to?
- Can I see your driver's license and your Learner Transport Permit.
- If you fail to pick up or fetch my child, who can I call?
- Do you have passenger liability?

Should you as parent have any questions or complaints please feel free to contact Brian Govender (Public Relation Officer at Midrand Learner Transport Association – 074 875 8624)
